AIR-SHOOTER

FUN IN THE CROSSHAIRS

WHO ARE WE?

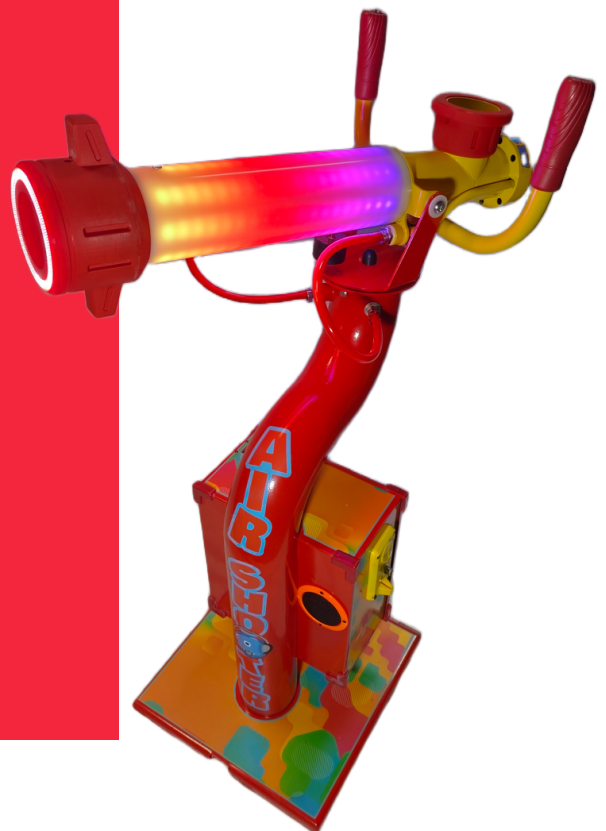

AirShooter is a Polish company specializing in the design and production of modern entertainment devices – particularly pneumatic cannons and electronic accuracy scoring boards.

Our mission is to create safe, dynamic, and engaging experiences that involve both children and adults in an interactive and modern way.

With years of experience in the event and technology industries, we offer not only ready-to-use products, but also full implementation, service, and marketing support.

“

**"We don't just aim for fun –
we aim for unforgettable
emotions."**

WHY CHOOSE AIRSHOOTER?

Modern, engaging devices

Certified components for full safety

Unattended operation possible (automation & scheduling)

Intuitive touch-screen interface

Extra features (coin monitoring, operating modes, software updates)

Manufacturing and service based in Poland

Personalized approach and competitive pricing

VISION

To become a leader in interactive entertainment solutions by delivering innovative, safe, and unforgettable experiences that connect people of all ages through technology and fun.

MISSION

Our mission is to create modern and safe entertainment devices that engage both children and adults through interactive fun. We combine technology with emotion to deliver experiences that last.

AIR GUN

GENERAL DESCRIPTION

The AirShooter Pneumatic Cannon is a premium-class entertainment device that launches lightweight, soft foam balls using compressed air. It is completely safe and perfectly suited for both children and adults.

Perfect as a standalone attraction or as part of a Shooting Arena. Designed for commercial venues, play centers, amusement parks, shopping malls, as well as events and outdoor festivals.

STANDARD EQUIPMENT:

💰 Coin acceptor – programmable (any denomination, PLN or EUR)

📱 Touch panel – intuitive game and settings configuration

🕒 LED display – game time countdown

🔊 Audio system – sound effects (shots, prompts, game end)

💡 Lighting module – game signals and light animations

💻 LED matrix screen – dynamic visual effects during gameplay

🔒 Lockable control box – secure controller housing

💳 Optional Nayax terminal – card and mobile payments

⚙️ Automation system – programmable operation schedule (standalone mode)

Coin counter and usage reports

Look!

SAFETY:

- ✓ **Soft foam balls – safe for children**
- ✓ **No sharp edges**
- ✓ **Low-voltage power supply (12V)**
- ✓ **Stable, durable housing**

ELECTRONIC CUSTOMS BOARD

GENERAL DESCRIPTION:

The AirShooter Target Board is a modern device that registers hits using a light and sound feedback system.

It is designed to complement the pneumatic cannon but can also function independently – as a training target or an interactive competition point.

THE SET INCLUDES:

-  Electronic target board with 9 illuminated targets
 -  Each target equipped with RGB LED lighting
 -  Sound effects triggered upon hit
 -  Score and game time display
 -  Hit and game counter system
 -  Time-based or point-based game modes
 -  Optional integration with pneumatic cannon

SPECIAL FEATURES:

-  Hit detection with precise score counting
-  Each hit is illuminated and accompanied by sound feedback
 -  Multiple game modes: points, time, training
 -  Game statistics – number of attempts, hits, final score
-  Expandable with additional targets and multiplayer capability
 -  Configurable settings via service panel

SAFETY:

- ✓ Low-voltage power supply (12V) – safe for all users
- ✓ Durable, impact-resistant housing
- ✓ No sharp edges or small detachable parts
- ✓ Secure installation and stable construction

APPLICATIONS:

-  Amusement parks and gaming zones
-  Shopping malls and indoor play centers
-  Corporate events, fairs, and festivals
-  Training sessions, competitions, and tournaments
-  Attractive and engaging for both children and adults

SHOOTING ARENA

GENERAL DESCRIPTION:

The AirShooter Shooting Arena is a complete setup for safe and exciting fun using pneumatic cannons and electronic target boards. It creates a competitive space where participants shoot soft foam balls at illuminated LED targets, combining action, precision, and entertainment for all ages.

Perfect attraction for:

-  **Outdoor events, fairs, and trade shows**
-  **Corporate parties and team-building events**
-  **Shopping malls and amusement parks**
-  **Indoor play centers and sports halls**

THE ARENA INCLUDES:

-  **1–4 pneumatic cannons (coin-operated or free play)**
-  **Electronic target board with LED targets and hit counter**
-  **Integrated LED & audio system – hit effects, animations, game signals**
-  **Enclosed play area (fabric or hard panels), with optional branding**
-  **Touch control panel – game mode and settings configuration**
-  **Coin acceptor or optional Nayax payment terminal**
 -  **Set of foam balls + ball hopper**
 -  **LED timer / game time counter**
 -  **Coin counter and usage statistics**

SPECIAL FEATURES:

-  **Interactive gameplay – players shoot foam balls at LED targets**
-  **Multiple game modes – timed, points-based, or training**
-  **Touchscreen control panel – easy setup and mode switching**
-  **Dynamic LED & sound effects – real-time feedback with animations**
-  **Flexible payment options – coin acceptor and Nayax terminal support**
-  **Built-in statistics system – track hits, games, coins, and performance**
-  **Modular setup – adjustable number of cannons and target boards**
-  **Attractive for all ages – engaging for both kids and adults**
-  **Brandable structure – perfect for custom events and promotions**

SAFETY:

-  **Soft foam balls – safe and lightweight for all ages**
-  **No sharp edges – child-friendly design**
-  **Low-voltage power supply (12V) – safe and energy-efficient**
-  **Optional protective netting – to safely enclose the play area and prevent stray shots**

APPLICATIONS:

-  **Outdoor events, festivals, and trade shows**
-  **Corporate events and team-building activities**
-  **Shopping malls and amusement parks**
-  **Indoor play centers and sports facilities**
-  **Fairs, school events, and family entertainment zones**
-  **Perfect for both children and adults**
